## **Boulders Resort & Spa Named “Best of State” by *Travel + Leisure* Magazine**

**CAREFREE, ARIZ—January 27, 2017** —*Travel + Leisure* just announced their reader survey “Best Hotel in Each State” [Best of State](#), and deemed the Boulders Resort & Spa the “Best Hotel in Arizona.”

According to the magazine, “Whether you’re driving through amber plains or exploring a new city, these award-winning hotels won’t let you down. When we travel—whether it’s to go skiing in Utah or to have a shopping spree in New York City— nothing completes the experience quite like staying in a hotel that understands the local vibe. Fresh off a multi-million dollar renovation in 2015, it’s no surprise that our readers voted the Boulders Resort the No. 1 in Arizona.”

“We continue to preserve our rich history and our surrounding desert environs to provide our guests with an authentic Arizona experience,” said Boulders’ General Manager Howard Harris. “We couldn’t be more pleased with this recognition.”

Every year, *Travel + Leisure* asks their readers to share their opinions on the top hotels, resorts, cities, islands, cruise lines, spas, airlines, and more. Readers taking their recent [World’s Best Awards](#) survey ranked hotels in the United States for value, service, location, amenities, and attention to detail.
