

PATIO

Located between the two main shopping streets of Barcelona, Paseo de Gracia and Rambla Catalunya, Patio is a renovated outdoor space with a large gastronomic offer supervised by the chef and restaurant owner Enrique Valentí, where you can taste from the large proposal of meat from Solomillo Restaurant, a menu of select cheeses and cold cuts plates and seasonal

products from La Charcutería, to its creative cocktails. A renovated courtyard that hides a calm and welcoming terrace that is adapted to every season of the year. The brief required the creation of three new areas: a non-accessible green space at the back, an area with a swimming pool in the sunnier part and an expanse with a restaurant/bar next to the hotel building
