

OUR SOCIALLY CONSCIOUS PARTNERS

We are committed to positively impacting the community and environment in as many ways as possible. One of our focuses has been on sourcing local or ethically produced products for all of our rooms and throughout the hotel.

Our bathroom amenity range is produced by Stone Street Soaphouse based in a Kent village just under 30 miles from the hotel. The range is made from locally sourced natural ingredients, blended on site.

We have partnered with Mozzo Coffee, who not only produce excellent quality coffee, but are doing amazing community outreach with their growers who are wedged between two conflict zones in the Democratic Republic of Congo.

Our Tea partner, Brew Tea Co, is a Certified B Corporation supplier of superior quality tea. Certified B Corporations meet the highest standards of verified overall social and environmental performance, transparency, and accountability.

SHIVA FOUNDATION LINCOLN PLAZA LONDON WORKS CLOSELY ALONGSIDE THE SHIVA FOUNDATION

The Foundation is a corporate foundation that aims to tackle and prevent human trafficking and modern slavery in the UK, by facilitating a more collaborative and systemic approach to making change.

ABOUT THE SHIVA FOUNDATION

The Shiva Foundation has developed a toolkit for the hotel industry to address the main risk areas regarding modern slavery in the sector. The Stop Slavery Blueprint includes tools for hoteliers to use regardless of what stage they are at in their anti-trafficking journey. The toolkit has been launched after piloting it in one hotel and then rolling it out across the Shiva Hotels group. We have consulted with anti-trafficking experts, government agencies and the wider hotel industry to ensure it is fit for purpose.

Education and empowerment play a key role in driving social change. By supporting local communities and civil society organisations, we can build a comprehensive response to prevent human trafficking.

Lincoln Plaza London is proud to have implemented the Stop Slavery Blueprint in the hotel and continues to look for new ways to reduce modern slavery in the hospitality industry. If you would like to know more or get involved, please speak with a member of the team who will be delighted to share further information with you or you can visit ShivaFoundation.org.uk
